About CIFA

The International Footwear Conference is a prestigious event at which CIFA member footwear Associations meet annually and share information on the status of the footwear industry in their respective countries. In addition, experts are invited from leading global footwear markets like USA, and EU countries to share issues impacting global footwear markets such as technology and sustainability, exporting emerging markets, trade finance, and global supply chain information. Sixteen footwear associations from Asian footwear producing countries including China, Vietnam, India, Hong Kong, Indonesia, Japan, Malaysia, Philippines, South Korea, Thailand, and Taiwan have formed the Confederation of International Footwear Associations (CIFA), with the common objective of networking and information exchange. Prime activities of CIFA comprise organizing the annual International Footwear Conference, and holding an annual International Footwear Design Competition to promote design talent among Asian footwear producing countries.

Bangladesh as host of 36th International Footwear Conference (IFC) 2017

Bangladesh leather sector has already become a multi-billion dollar export industry. Government and industry are working to achieve 5 billion USD export by 2021. Meanwhile, Prime Minister has declared leather, footwear and leather products as national ‘Product of the Year 2017’. Because of this, importance of Bangladesh is growing in supply chain map of leathergoods and footwear export. Furthermore, as a potential investment relocation country Bangladesh is being considered as emerging country in global footwear export market. Against this backdrop, from the pool of competition, Confederation of International Footwear associations (CIFA) has selected Bangladesh to be host of 36th International Footwear Conference (IFC) 2017.
