

Executive Development Center (EDC), East West University (EWU)
Skills for Industry Competitiveness and Innovation Program (SICIP)

CALL FOR APPLICATIONS

GRADUATE DIPLOMA IN LEATHER, LEATHER GOODS, AND FOOTWEAR MANAGEMENT

Program Context

The leather and footwear sector in Bangladesh holds significant growth potential, driven by the country's abundant raw material supply, competitive labor costs, and increasing global demand for quality leather products. To facilitate the sector, the Government of Bangladesh has taken initiatives to produce a group of mid-level managers which will minimize the dependencies on the foreign experts. In compliance with this initiative, the Executive Development Center (EDC) of East West University (EWU) is offering a Graduate Diploma in Leather, Leather Goods, and Footwear management under the Skills for Industry Competitiveness and Innovation Program (SICIP), Ministry of Finance, Government of Bangladesh.

Program Features

- > The tuition fee is fully waived and additional allowances will be provided after successful completion
- > The nine-month long program
- > Industry Attachment is mandatory
- > Experienced resource persons from both industry and academia
- > Classes will be held on weekends and/or evenings of weekdays
