OVERVIEW

Leathergoods And Footwear Manufacturers & Exporters Association of Bangladesh (LFMEAB) is the official trade body registered under the Ministry of Commerce, Government of Bangladesh of the export-oriented leather footwear and leathergoods industry of Bangladesh. With over 300 members, LFMEAB represents the majority of companies in Bangladesh that are engaged in export of leather footwear and goods.

It has been established with the aim and object of uniting all the leather goods & footwear manufacturing companies by encouraging co-operation amongst the members and provide them with a platform to have local and international exposure, creating awareness amongst international buyers and making representations to the government and concerned public bodies on behalf of the members for effective trade and export facilitation.

OBJECTIVE:

- Leather sector has been declared as one of the priority sectors and Government is also facilitating the sector with necessary development assistance to materialize its export growth potentials. Productivity is the key term of today's business world for that we need highly skilled workforce and smart production process. Also, we need midlevel leaders to guide and motivate the workforce for future growth and social compliance program to remediate social compliance gaps identified through engagement and capacity with workers and managers in LFMEAB factories. In this regard, LFMEAB will arrange following initiative:

1. Conduct third party verification to receive the certification on BSCI, SEDEX & ISO 45001 standards.

Key objectives of the final Social Compliance assessment to understand impact and readiness towards certification and arrange certificate:

- Assist factories to apply for the audit and verification
- Conduct verification on selected 30 member factories,
- Ensure that processes, policies meet the required standards, laws or certification criteria
- Offer recommendations for corrective actions and system improvements not just compliance.

Target Group:

- 30 selected member factories who are part of LFMEAB's Industry Preparedness Program (IPP)

The core principle of the third-party audit is to prepare the selected member to achieve certification on selected standard.
